

Board of Management Agreed Report 19/06/2024

The Board of Management of Ballymurn N.S. met on 19th June 2024.

They carried out the annual review of the Critical Incident Management Policy and also ratified the review of the Plean Scoile don Ghaeilge.

The Strategic Plan for this Board term was finalised, as was the Annual Report for this school year.

The Board discussed school finances and Emergency Works Floor Replacement to be carried out this summer. This work will start on Thursday of next week and be followed by reconfiguration works in the SEN classrooms. A project management firm will oversee the reconfiguration from start to finish.

The board welcome the granting of the school extension and is in the process of appointing a consultant to oversee this project.

The Board discussed the playground project that we are currently fundraising for, and wish to pursue the planning of this project over the coming months.

The principal, Emer O’Gorman presented the Principal’s Report and, as DLP presented the Child Protection Oversight Report.
